

# **Partnership Funding Agreement Between Cooperative Baptist Fellowship of NC And Eddie Hammett 2009-2010**

**CBFNC's partnership with Eddie Hammett involves the following funding agreement:**

- 1) CBFNC engagements will represent about 25% of Eddie's work calendar
- 2) CBFNC wants to maximize our investment in Eddie's time and expertise therefore we encourage that most of his planned events be regional events, hosted by a CBFNC church, and reach out to other CBFNC affiliated groups in the area. These events will primarily be funded by CBFNC budget and registration fees.
- 3) Local CBFNC churches who want to contract with Eddie for individual consultation, seminars or coaching will be between the church and Eddie at a 50% discount from his normal rates. Efforts will be made to minimize costs and even connect with other CBFNC churches enroute that could minimize travel expenses and in some cases conference/consultation/coaching expenses. Fees and travel cost will be negotiated with Eddie based on the amount of time involved for preparation, follow up, travel and presentation time.
- 4) CBFNC will work to provide minimal scholarship help for CBFNC affiliated churches who might face hardship but need Eddie's expertise. Contact for this should begin with Larry Hovis.
