Tell Us About Your Students Coming to North Carolina Campuses

CBFNC has Campus Ministers at several campuses across NC and we would love to be in contact with your students to share with them about the CBFNC ministries on their campus. Not only do we want to invite them to participate in the student groups, we also want to be a resource for them when they get to campus, regardless if they attend the Cooperative Baptist Student Fellowships (CBSFs). If you would like for us to contact your son or daughter or if you are a youth minister, pastor, or Sunday School teacher who knows about students on NC campuses, we would appreciate it if you would tell us about your students. To share information about a particular student or a group of students attending a variety of state schools where we have ministries, you can contact [Wanda Kidd](#) or any of the following campus ministers:
