

## **Ukraine**

The Village of Hope is a beautiful, peaceful site for foster families located near Kiev, Ukraine. Now it houses three foster families and a total of 18 children with more coming soon. *Gennady & Mina Podgaisky* ask us to continue to pray for the children, the foster families, and the constant struggle of bureaucracy and corruption of officials.

During the summer of 2010 volunteers are needed for: light construction, maintenance, assisting in Bible Camp, teaching English as a second language, assisting with camps at the VoH, and leading sports camp and medical teams. Summer 2010 will end the construction until all spaces for children are filled.

This ministry site became a reality through CBFNC and other partners! Through this help, lives of Ukrainian at-risk children were forever changed.

8 weeks are available for teams during the summer of 2010. Some of the opportunities for teams to participate in are: Light construction, assist in Bible Camp, teach English as a second language /ESL, lead sports camp. Please let me know what your team might be interested, so that the work can be set up in advance. In country expense will be the same as last year \$325 plus pocket money . The Team Week schedule is available.
