

**Tom Ficklin**

I am a long time business owner who accepted the call to be a bi-professional pastor in Richmond, VA late in life. I am new to coaching with the expectation to soon be certified with the Christian Life Coach Certification and planning to continue to the ACC level. I love people and being a support for their growth in areas of their joy and passion. Phone 804-513-5115 cell [tom@whiteoakequipment.com](mailto:tom@whiteoakequipment.com)
