## Why This Matters

By maintaining accurate and up-to-date leadership information, we can provide:

### Tailored Resources

- Provide tailored resources for deacon leadership, financial management and personnel matters.

### Direct Support

- Offer direct support for leadership transitions, best practices and emerging challenges.

### Strengthen Relationships

- Strengthen relationships by ensuring every church receives relevant guidance and encouragement.

### Direct Networking

- Direct networking with other congregations who have also navigated a particular challenge your congregation might be facing.
