Ministering to College Students in a Pandemic

CBFNC's continued investment in young adults and college ministry is still very much on our minds during this time of upheaval in the world as we know it. Our campus ministers are continuing to stay in touch with their students through social media and direct contact.

We also realize that there are students who have not yet connected to a Cooperative Baptist Student Fellowship (CBSF) on their campus who would like the support from a group or a connection with one of our ministers. We would love to hear from those students as well.

Listed below are the names, contact information and ways that students can connect regularly with a campus minister and/or group. Please know that we understand that this is a difficult time for students and families as we all have to shelter in place, when all everyone wants to do is be out in this spring weather with our friends. We would love to hear from you. Contact your campus minister or Wanda Kidd, collegiate engagement coordinator for CBFNC at Wkidd@cbfnc.org.

Appalachian State University

Tierney Boss
